## The Ottawa Dental Implant Study Club for Dentists

Starting Monday, September 13, 2004

We will meet on selected Monday evenings.

We will use implant dentistry a part of your practice.

One lecture and hands-on series is designed for dentists with no implant experience.

There will be another in-depth lecture series for those already comfortable with the basics of implant dentistry.

Due to an overwhelming response ...

## Caring for Patients with Implants Seminar for Hygienists

Learn how to effectively care for your patient's implants during regular hygiene maintenance appointments.
